TO WHOM IT MAY CONCERN – PROPERTY MANAGEMENT

Speak to Shirley first.

Every dealing with Shirley at EPS Property has been nothing less than a pleasure, with her integral, courteous, efficient way, she is a first class agent, achieved a exceptional record rental price for my property in our unit block [REDACTED] Balmoral. At all times attentive and prompt in our communication, also giving the same respect to the tenant, like working with a friend having your best interest at heart.

Recently I sold my property Shirley recommended an excellent agent worked with them to achieve my desired sale price, a real asset living interstate.

I have recommend Shirley to other friends and all have come back thanking me, speaking only of praise of the rental results she's achieved for them and the ease in all transactions with her.

You won't find better, she is the best.

Thank you Shirley.
