

EPS Property Search

Dear Paul and Patrick

Thank you for all your help and advice in assisting us purchase our new home. It's exactly what we wanted and for such a great price.

After 6 months of trying to deal with real-estate agents, guessing at prices, suffering several setbacks and becoming very disillusioned with the whole process going to EPS was the best thing we did. Your honesty and professional approach has been greatly appreciated.

We will not hesitate in recommending your service to our friends, family and anyone else we hear of trying to buy a property.

Kind regards

Sigurdur Jonsson & Meghann Nikola
