Hello Patrick,  
Just wanted to let you know how happy we are with the result on Friday. Think you have done an excellent job and feel we have received great value for our money.

Also think you guys are really switched on and will keep going places and we wish you all the success in the world.

Really appreciated the flowers, these small things do make a big difference, and to top it off we heard you on the local Sunshine Coast radio on Saturday and thought – gee this guy is everywhere!!! Well done.

Kind regards
