Dear Shirley

I wanted to thank you for all your help in finding me the perfect apartment in Manly, your knowledge of the area was a tremendous help. You know the Manly area and the real estate market very well and your advice was very much appreciated. Most of all I appreciated your no pressure approach to rental, your consultative style and flexibility, thank you.

I will definitely recommend you in the future, in fact I have already provided your name to a few friends who are considering Manly, it was a pleasure working with you!

Thanks once again,

Robert
